Old Time Gospel Hymns Bible Study!

Amazing Grace...The Old Rugged Cross...In the Garden...Love Lifted Me....the list goes on and on. Are these or other beautiful and timeless hymns interwoven into the history of your Christian faith? For so many of us, such hymns are filled with precious memories, and were instrumental in helping us first understand the nature of the Gospel and of our Savior.

Beginning February 8th, 2021, we'll be hosting a Bible Study in which each session will spotlight a timeless Christian hymn. We'll explore both the history behind the song, as well as the sacred Scripture and theology upon which the hymn was written.

Join us as we journey back and delve into these enduring hymns that have supplemented our faith for so long!

- Every other Monday, beginning
 2/8/2021, lasting until further notice
- Sessions begin at 7 pm and should last 60-75 minutes
- We will meet in the sanctuary allowing for greater spacing, and following appropriate COVID precautions
- For any for whom an in-person gathering is not desirable or possible, please watch Gethsemane's Facebook page. Content will be shared after each session, so that all can join in the journey deeper into these precious hymns of the faith!
